It's been a great start to a new year! We had a great New Year's Eve Party, followed by a New Year's Day sail. Thanks to Cindy for putting together a terrific evening and potluck the next day. It was a 'lil brisk, not too bad. We had a ton of great food. There was Salmon, Ham, Lamb, Black Eyed Peas, plus a ton of snacks and desserts.

We rang in the New Year club-style! Five boats went out the day after for an enjoyable sail. Blowing 12-16 kts gusting to 20 perhaps. Send in your New Year's Day sailing photos! We'd like to see and share them!

January work party

Ted Hubble will be organizing and sending out info for the next work party, we have quite a few small tasks to perform. Painting, beach cleanup etc.

Vice-Commodore's Report

Hello, sailors.

The new year has begun. Some changes have been made for this year. If you keep a trailer at the club, the charge to you for each trailer has gone from \$10.00 to \$20.00. If you bring in or remove one from the property, please notify me (Ted Hubble).

The first sailing event this year will be the Frostbite Regatta and Chili Cook off on January 19th.

The first work party will be on Saturday the day before. (01/18/2020), weather permitting.

Expected activities:

1. Painting.
2. Yard work.
3. Replace dock boards.
4. Watch and/or help Andy install the Trex on the east dock.

I will have other chores to be done depending on who all shows up.

It is a great way to meet the new members and learn their names.

Lunch will be provided.

See you all on the 18th.

Thank you for participating.
